

**Seattle Pacific University  
Salary Deduction Agreement  
Voluntary Employee After-Tax Contributions to the Emeriti Health Account**

\_\_\_\_\_  
Employee name (please print full name)

\_\_\_\_\_  
SPU Identification Number

A deduction from your salary will occur each **MONTHLY** pay period in the amount you have indicated below. You must have earnings in order to make the Emeriti Employee Deduction at the beginning of the next month. Due to and depending on payroll processing deadlines, we may need to make your first deduction the month following the next month of this request.  
(Payroll deadlines are approximately the 10<sup>th</sup> of every month so the deduction can be effective for the next month.)

The deductions will be remitted to your Emeriti Health Account (VEBA).

This agreement will remain in effect while your employment continues, or until such time as you provide written notice of a change in your contribution amount or termination of your contributions to the Emeriti Health Account or you become ineligible (working less than .50 FTE or in another ineligible category).

You may make changes to your salary deduction agreement at any time, with changes going into effect as soon as practicable.

**Dollar amount of Employee After-Tax Emeriti salary deduction requested:** \$ \_\_\_\_\_  
(only whole \$'s)
